Thank you for making a positive difference in hundreds of people's lives each year!

THE PATIENT ASSISTANCE PROGRAM is aimed at removing health care barriers and increasing access to services and items that are not reimbursable by private insurance or Medicare or Medicaid insurance programs yet are important to health and healing. Support from the fund includes: transportation vouchers, gas cards and taxi assistance to/from appointments, short-term lodging for patients who travel long distances for treatment, replacement clothing or warm winter gear for emergency room patients, durable medical equipment, medical supplies, prescription support and free first fill program, and nutritional items vital to healing.

Established in 1978, **ST. PETER'S HEALTH FOUNDATION**, is the philanthropic arm of St. Peter's Health, a not for profit integrated health system in Helena, Montana established in 1883, serving more than 100,000 people annual in the five-county area of Lewis and Clark, Broadwater, Powell, Meagher and Jefferson Counties. St. Peter's Health is recognized as a Top 100 Rural and Community Hospital by Chartis Group and consistently receives an A rating by Leapfrog Group for national hospital safety. As the only full-service acute care hospital in the region, St. Peter's Health includes a 99-bed hospital, a 24-bed behavioral health adult in-patient unit, primary and urgent care clinics, home health, hospice and specialty care including: behavioral health, cancer and cardiac care, dialysis center, family birth center, diagnostic and lab services, ambulance services and community health programs.

St. Peter's Health Foundation raises contributions to remove barriers to care for vulnerable patients, enhance and expand health care services, launch community based health care solutions, support equipment purchases, capital expansion projects, workforce development scholarships and fuel health care innovation and growth.
